

## **CANCELLATION NOTIFICATION (JSA 2020)**

March 13, 2020

---

**Dear JSA Community, Colleagues & Friends,**

As many organizations, institutions, and commerce in the United States and abroad are taking precautions in order to help reduce the potential spread of COVID-19, the Justice Studies Association (JSA) has decided to join these important efforts. Effective immediately, I am announcing that JSA is cancelling its 2020 conference, currently scheduled to occur in Chicago, Illinois at Northeastern Illinois University (NEIU). However, JSA will hold its Annual Conference in 2021, as planned. Location of the 2021 conference will be announced at a later date.

Additionally, in the coming 2-3 weeks we will be in touch with non-members who recently purchased an association membership (for the 1<sup>st</sup> time) in anticipation of attending the 2020 JSA conference.

We apologize for any inconvenience caused by the cancellation.

**JSA President  
Robert Grantham, Ph.D.**
